Services during your subscription period

- Virus removal
- Malware protection (you know, those annoying popups, adware, and toolbars you don't remember adding)
- Upgrading to new operating systems when they are released
- Speeding up slow computers (who doesn't want their computer as fast as when they first opened it!!)
- Disk drive cleanup
- Computer optimization
- Computer tune-ups
- Troubleshooting issues
- Preventative maintenance
- Offering online remote support (you don't take your computer anywhere, and nobody comes to your home – it's all done online and you control when and if we help you from home)
- Installation of new computers, printers, and other devices
- Assistance with backing up your computer so you never lose any information
- New computer setup
- Access to a private Facebook group where you can ask questions and get answers; articles; tips and tricks for your computer; helpful web links; and even some tutorials
